STRIKING TESTIMONY

Miracle Baby after 43 years of Waiting!

"We got married in London in 1968. We had been waiting on the Lord for the fruit of the womb, for over 40 years. The enemy tormented us so much, that we became experimental patients to the hospitals. We even visited hospitals in Ghana due to childlessness, but all to no avail.

However, we believed in the Word of this Commission, and we used Luke 1:37 as our anchor scripture. When all hope was lost, we continued hearing the Word coming from the Bishop and we were enlightened and strengthened.

At a point, we gladly gave our house as a house fellowship centre. To strengthen our faith, we enrolled for the Word of Faith Bible Institute(WOFBI) and attended BBC, LLC and LDC. Few months ago, I noted that my wife was adding weight. I advised her to take a walk around and do exercises in order to shed the excess weight meanwhile I never knew she was pregnant!

She, too, never knew she was pregnant! Then, at a time, I told her, 'Why can't you see the doctor?' At this point, she was pressed to go to the toilet, but she couldn't. She had to complain to her doctor, who sent her for a test. The result of the test is David, Oluwayidara Adepoju!" --Elder Olasunkanmi, A
